

Counsellor

One (1) Part-Time, Maternity Leave Contract (12 to 18 months, with the possibility of extension), 0.8 FTE (28 hours/week). Bargaining Unit - UFCW – Local 175

Parkdale Queen West Community Health Centre (Parkdale Queen West CHC) is a dynamic, community-based health care organization serving mid-west downtown Toronto. Offering a broad range of services, including primary health care, dental care, harm reduction, health promotion, counselling, and community development programming, we are also committed to serving people who face barriers to health care, and we strive to reduce these barriers. PQWCHC is a multi-sited organization.

Reporting to the Manager of Mental Health Services, you will provide short term clinical counselling and occasional case management to address the mental health needs and social determinants of health for marginalized clients. You will work with, adults, couples and families including members of racialized or LGBTQ communities. Consistent with your training and experience, you will conduct therapeutic assessments and provide appropriate treatment based on your case formulation using a trauma-informed motivational interviewing approach along with other evidence-based modalities.

As a PQWCHC team member you will participate in clinical supervision and agency meetings. Your responsibilities will also include maintaining timely and appropriate electronic documentation and participate in the overall activities of the Health Centre (training, committees, special events, etc.).

Leveraging your experience, you will also work with other service providers to address gaps in service or required services and liaise with community agencies and institutions regarding issues relevant to client needs.

Your profile as a registered **Counsellor** will include:

- Graduate degree in relevant discipline from a recognized university.
- Member in good standing with the OCSWSSW or CRPO.
- Three to five years of counselling experience, preferably in a community health setting.
- Proficiency in mental health assessment and counseling techniques that are trauma-informed and strength-resiliency-based.
- Experience working with the LGBTQ and/or racialized population.
- Experience providing support or treatment to adults with significant mental health/trauma/addiction challenges.
- Knowledge of and experience in motivational interviewing and staged matched interventions.
- Formal training and experience with a variety of responsive treatment interventions (e.g., brief therapy, CBT, DBT, motivational interviewing techniques, etc.).
- Demonstrated ability to work with multi-disciplinary teams.
- Proficiency in the use of computers and various software applications.
- Proficiency in another language is considered an asset.

Salary Range: \$50,691 to \$59,245 per annum
