Parkdale Queen West Community Health Centre (Parkdale Queen West CHC) is a dynamic, community-based health care organization serving mid-west downtown Toronto. Offering a broad range of services, including primary health care, dental care, harm reduction, health promotion, counselling, and community development programming, we are also committed to serving people who face barriers to health care, and we strive to reduce these barriers. PQWCHC is a multi-sited organization.

We are seeking a Harm Reduction Worker who shares our passion for making a difference; you see this role as an opportunity to take the next step in your successful career while contributing to a vision of *Inclusive Communities. Responsive Healthcare. Healthier Lives.*

Reporting to the Manager, Harm Reduction Services, you will lead the planning and implementation of our kit making service for vulnerable populations of drug users by:

- Acting as a mentor to peer workers, volunteers, and clients on-site and drop-in programming, including
 providing assistance and education around overdose response, housing, income support and assetbased capacity building.
- Working collaboratively with the team to increase client access to social supports, pathways to care, and treatment and treatment supports, including overdose prevention.
- Aiding in system navigation.
- Assuming responsibility for supply distribution, including supporting supply management.
- Supporting evaluation and quality assurance, from developing, implementing, maintaining, and evaluating goals and objectives, to supporting in-house harm reduction programs across sites.

Qualifications:

- Substantial knowledge of drug use, specifically injection drug use, acquired through a combination of work experience, lived experience and/or education or training.
- 2 to 5 years' relevant experience in a community setting, and experience in and program development, implementation, monitoring, and evaluation.
- Experience with overdose prevention and response and training in/experience with Naloxone administration.
- Experience working with marginalized communities such as people experiencing homelessness and under-housed, psychiatric consumer/survivors, people who do sex work and people who use drugs.
 Experience in peer mentorship and support roles is an asset.
- Strong understanding of and commitment to harm reduction, trauma-informed, and anti-oppression practices.
- Confident in asserting and maintaining strong boundaries.
- Extensive advocacy, crisis intervention and prevention, conflict resolution, and negotiation skills.
- Extensive knowledge of community-based resources.
- Excellent written and oral communication skills
- Proficiency in one or more languages other than English, and personal/lived experience of drug use, homelessness, and/or street involvement are considered assets.

Compensation: \$50,561 to \$59,539 per annum (\$27.78 to \$32.71 per hour), plus Group Benefits and *Healthcare of Ontario Pension Plan (HOOPP).

*HOOPP option available for the part-time position.
